6. Pursuant to the complaint, the pharmacy department at Seven Sisters conducted an audit and noted multiple medications missing that were accessed by Registrant using her fingerprint. The missing medications included: #45 Hydrocodone/APAP 5/325; #25 Hydrocodone/APAP 10/325; and #9 Oxycodone 5mg.

7. There was an occasion when twenty-seven doses were removed during Registrant's shift for an order that covered two doses that shift. The two ordered doses were documented as administered, but the other twenty-five doses were unaccounted for.

8. Registrant later admitted to Division of Criminal Investigation (DCI) that she has a problem and was taking the medication. Registrant resigned from her position with Seven Sisters and refused to submit to a drug test.

9. Upon receipt of the complaint, I immediately initiated an investigation. I called Registrant to investigate the complaint but did not hear back. As of the date of this Affidavit, I still have not heard from Registrant.

10. Based upon the allegations in the complaint and my initial investigation, I find the public health, safety, and welfare imperatively require emergency action in that Registrant's actions may endanger the health and safety of persons entrusted to Registrant's care and that Registrant's registration should be summarily suspended until further Order of the Board.

ORDER OF SUMMARY SUSPENSION

0-0

3. The Board accepts the facts presented at the meeting on August 11, 2021, and specifically finds, pursuant to SDCL § 1-26-29, that the actions of the Registrant as presented endanger the public health, safety and welfare, and imperatively require emergency action in that

Registrant may endanger the health and safety of those persons who are or will be entrusted to her care in the future and that these are matters of a nature that would constitute further grounds for discipline under SDCL § 36-9-49.

4. Based upon these findings, Registrant's registration to practice as an unlicensed med aide in South Dakota is hereby summarily suspended. Registrant shall turn in her registration to the Board within ten (10) days from the date of this Order and it shall be kept by the Board until further action on this matter.

5. Registrant is hereby notified that any practice of or holding herself out as an unlicensed med aide during the terms of this Order of Summary Suspension is a violation of SDCL § 36-9-68(5).

6. This action is reportable discipline and will be published in the Board's newsletter and posted on its website and reported into the National Practitioner Data Bank (NPDB) as required by law.

7. This summary suspension continues pending proceedings for revocation or other action. Contested case proceedings under SDCL 1-26 shall be promptly instituted so that the Board may enter a final determination regarding disciplinary or corrective action after a formal contested case hearing.

Dated this 11th day of August, 2021.
